Executive Directors Report

Chair Fields advanced the agenda to the next item for consideration: A review of the Executive Director's report.

Director Chiozza presented information on the following:

- **CAD Systems**

The Shelby County Sheriff and Fire Department continue their negotiations with Motorola on a contract for their new CAD system. Negotiations are expected to be completed by the October 2014 Board meeting, at which time I will have an amount to present for approval. This may require some budget modifications.

- **Tennessee Emergency Communications Board (TECB) Director**

Curtis Sutton, previously serving as the Assistant Director and legal counsel for the TECB Board has been named Executive Director.

- **Tennessee Emergency Communications Board (TECB) Funding**

The TECB approved the methodology for calculating the base amount for ECD funding beginning January 1, 2015 which is based on "total recurring annual revenue the district received from distributions from the Board and from direct remittance of 911 surcharges" as stipulated in the new 911 Funding Modernization Act. The annual base level funding effective January 1, 2015 for the Shelby County ECD will be \$8,837,052.

Base level funding effective January 1, 2015 and an email from Jim Barnes provides additional information and calculations related to funding.

- **3180 Players Lane**

Tracey Speake has advised the location is now under contract via a letter of intent. As a result, no discussions can be held until the due diligence of that contract is complete.

- **9-1-1 Board Reimbursement**

A request was made for reimbursement in the amount of \$2.5 million for equipment secured by the SCECD over the last three years. We are expecting to receive this reimbursement within the upcoming week.

- **ECaTS**

A recommendation will be coming in the near future to adopt and purchase ECaTS Management Information System. A 9-1-1 MIS that provides data and reports similar to the MIS solutions provided by CPE manufacturers. advanced technology and services that assist in running 9-1-1 jurisdictions more efficiently,

Director Kramer inquired was there a possibility of state-wide adoption of the new system.

Director Chiozza responded that due to funding changes, if the State attempts to adopt the system, the Districts that participate may receive some type of reimbursement.

Carlton Ray, GIS/IT Coordinator added, ECaTS would provide a better understanding of the PSAPS call taking operations and the accuracy of call reporting.

Michael Spencer, Memphis Police Department added, after viewing demos of the ECaTS system at the NENA Conference and here in the District office, the reporting feature fills the gap that has previously existed and provides up to the minute reporting and is user friendly.

Michael Corey Howard, Shelby County Fire Department agreed with Mr. Spencer and Mr. Ray adding, the demo went well and he was impressed with the reporting features.

Director Chiozza also mentioned the impressive visible mapping feature. He asked if there were any additional questions. Hearing none, he proceeded to the next item in the Director's report. .
