Nominating Committee

Chair Fields advanced the agenda to the next item for consideration: Appointment of a Nominating Committee.

Chair Fields advised the Executive Committee that during this meeting, 3 individuals need to be selected to serve on the Nominating Committee for Board of Director Officers as per the current by-laws. He requested Mr. Marshall provide the details and guidelines regarding this matter. Mr. Marshall added, that during the meeting, if the current members plan to continue serving in their respective positions, and all Board members agree, a motion can be presented to dispense with the formality of a Nominating Committee. He advised the Full Board that the current members have agreed to remain serving in their current positions for another two year term. However, the current officers would still need to be re-elected during the December 2014 meeting. In addition, nominations could be taken from the floor as well, for each position.

Chair fields asked if anyone desired to serve as Officers on the Board of Directors.

Director Anderson stated since the current Officers agreed to continue serving, the Board of Directors as a whole, agree to forego the appointing a Nominating Committee.

Chair Fields requested a motion to forego appointing a Nominating Committee and have the current slate of candidates remain the current Officers.

Executive Directors Report

Chair Fields advanced the agenda to the next item for consideration: A review of the Executive Director's report.

Director Chiozza presented information on the following:

- **CAD Systems**

The Shelby County Sheriff and Fire Department are in the process of signing a contract with Motorola for their new CAD system. An allocation of \$6.8 million is included in line item 1308 of this fiscal years' budget so no amendment is necessary to complete the purchase. Mr. Chiozza requested a motion to approve disbursement of the cost and contingency for a total amount of up to \$7,150,254 for the Motorola CAD System.

Chair Fields requested a motion to approve disbursement of the cost and contingency for a total amount of up to \$7,150,254 for the Motorola CAD System.

Director Anderson offered a motion to approve the disbursement of funds for the Motorola CAD System.

Director Dates seconded the motion.

- **TECB Reimbursement**

Reimbursement in the amount of \$2,501,791.95 was received on August 4, 2014 for essential equipment the District procured related to the State NG911 network.

- **ECaTS**

The District will be issuing a bid for the ECaTS Management Information System that provides data and reports similar to the MIS solutions provided by CPE. The District has held 2 demonstrations with Q & A sessions as well as observation at the NENA Conference. The significant differences are:

- advanced technology and services, in addition to the only universal reporting system that is vendor independent with the capability to import data regardless of the hardware manufacturer,
- ECaTS is a web based service with access to the portal through any web browser,
- functionality includes a robust ad-hoc tool developed specifically to perform extensive investigative work,
- comparative analysis is provided with every report,
- customized reporting is available to better meet business requirements.

- **Amending “Mission Critical Partners” Contract**

The existing contract needs to be increased to incorporate the addition of the following items:

- consulting on behalf of the District to assist Shelby County Sheriff’s Office and Shelby County Fire Department in obtaining a signed contract with Motorola from the equipment delivery and installation to the acceptance phase of the CAD system,
- consulting services to assist the District and Memphis Police Department in coordinating the removal of equipment (telephone switches), the development of an interface system(s) and various other items.

A motion is requested to amend budget line item #4208 in the estimated amount of \$427,778 to provide the additional consulting services for the SCSO, SCFD and MPD.
