- \$ 8.294 million total year-to-date revenue,
- \$ 8.141 million total year-to-date expenses,
- \$ 153 thousand total year-to-date income.

▪ **Fund Balances and Investments**

Director Kneeland presented a review of the Working Capital Accounts and Reserve Fund Account as of June 2, 2020, as follows:

- *Working Capital Accounts*
\$11.846 million total
- *Reserve Fund Account*
\$23.138 million total

▪ **Financial Transactions**

Financial transfers from the Operating account to the Retainage account for \$664.96 and \$415.39 to cover applications 43 and 45 respectively for the Armour Center Phase II construction project.

A financial transfer from the Operating account to the Retainage account for \$621.07 was processed to cover Application Payment #46 associated with the Armour Center Phase II construction project.

The Board voted 10-0 via electronic roll call to accept the financial report as presented by Treasurer Kneeland.

Directors Report

Chair Anderson advanced the agenda to the next item for consideration: A review of the Director's Report presented by Director Chiozza.

Director Chiozza provided highlights on the following:

- **Coronavirus**

The Shelby County 9-1-1 Emergency Communications District has advised all PSAPs that the District would reimburse up 75% of the costs for having cleaning companies that will disinfect all of the work positions. As of May 18, 2020, the District has processed invoices totaling \$15, 387.21 at the 75% reimbursement rate. The 100% rate would be \$22, 940.52.

- **Utilization of Backup PSAP's**

Investment by the District to create physical backup PSAP's within Shelby County has proven to be a wise expenditure during the last ten years. As a result of the COVID-19 virus, most PSAP's are utilizing both primary and backup facilities to separate staff for social distancing practices. Additionally, the VESTA co-tenant system in operation at the SCSO/ SCFD and the Millington PSAP "remote" connection would allow either the SCSO or SCFD backup PSAP to serve as a Millington backup for 9-1-1 call answering.

- **Watson Consoles**

Watson has completed the installation of the consoles at 201 Poplar. ICI has reinstalled the Vesta Positions, and Motorola/ICI has installed radio equipment that is associated with the new City/County radio system. MPD has installed "city computers" at each position currently being used for training positions.

- **Highland Capital Investments**

The Board of Director's general counsel Mike Marshall is still in discussions with Schwab related to the transfer of investments. However, the COVID-19 virus has delayed forward movement. We wanted to keep the Board informed.

- **Second Reading of the Proposed FY20-21 Budget**

On May 1, 2020, the State of Tennessee and the TECB issued a new Chart of Accounts and Budget format. While our best attempt has been made to revise the required budget lines to the new form, the likelihood of budget amendments and line-item transfers may be necessary during the new fiscal year.

Chair Anderson requested a motion to accept the Second Reading of the Proposed FY20-21 Budget.

Director Shull offered a motion to accept the Second Reading of the Proposed FY20-21 Budget.

Director Hollaway seconded the motion to accept the Second Reading of the Proposed FY20-21 Budget.

The Board voted 10-0 via electronic roll call to accept the Second Reading of the Proposed FY20-21 Budget.

- 2020 Legislative Sessions

HB2520 - ECD pay all Salaries – *This bill came up in last week's session and was sent to a summer study group.*

A copy of the letter that was sent is included.

HB1673 by Russell – Direct Dispatch – *This bill came up, and they decided more information was needed\.* *We anticipate Direct Dispatch to come up again at next year's session.*

SJR0836 By Bowling (To Increase surcharge rate to \$1.50)

Governor did not sign nor veto the bill, which means it will become law.

- Future Projects

A list of future project expenditures was provided to the Board of Directors.
